

Exotic Phenomena of Gauge Theory

Friday, 5 June 2015

Morning - Plenary (2nd day) (09:00 - 12:15)

-Conveners: Youngjoon Kwon

time	[id] title	presenter
09:00	[7] Variational method for X(3872)	PARK, Aaron Dr PARK, Woosung
09:30	[8] Models of neutrino mass generation and collider signatures	Prof. KANG, Sinkyu
10:30	coffee break	
10:45	[9] Development of a QMD-type model code for heavy-ion collisions at low and intermediate energies	Dr KIM, Kyungil
11:15	[10] Heavy quark system in external field	Prof. LEE, Su Houng
